PRECEDENTS OF INDICTMENTS: SPECIAL PLEAS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Precedents of Indictments: Special Pleas The following pages are presented to the Profession with a full knowledge that there are already several collections of precedents of indictments and other criminal pleadings. But with deference, it is submitted that none of them meet the wants of the American bar at the present time; and this consideration induced the authors to prepare this volume to supply the deficiency. The English collections are highly and justly appreciated; but many of the precedents they contain were never applicable to this country, and others have been for a long time obsolete, thus rendering it indispensable that a book should be written with exclusive reference to American jurisprudence. The alphabetical arrangement has been preferred, as more easy of reference. The precedents have been selected and framed with great care. Many of those on the common law, have stood the test of judicial scrutiny, and have never been before published in America. Some have been collected from drafts in actual practice, upon which convictions have been had and sustained. But the greater part, on the statutes, are original, and have been drawn expressly for this book. Most of them are preceded and accompanied with directions and notes.
