CUISINE FOR ANGELS: TANTALIZING RECIPES TO ENTICE THE BRINGERS OF HAPPINESS INTO YOUR LIFE

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want to attract birds into your garden, you scatter bread on your lawn. If you want monarch butterflies, you plant milkweed for them to feed on. And, following the same strategy, if you want to be visited by angels, you should offer them a banquet they can't resist. The trick is to supply the right food. Angels are ethereal beings with particularly refined appetites. It's no good expecting them to eat anything tangible. They can't digest even the lightest cotton candy. The nourishment they crave is of a spiritual nature. So that's what this book will help you prepare: feasts of delicious spirituality that will bring hosts of guardian angels flocking to your household! It's as easy as pie. You don't even have to go shopping for ingredients. Everything you need is readily available in your own heart.
