Lulu.com, United Kingdom, 2012. Paperback. Book Condition: New. 206 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****.Only upon publication do I realise this book s genre:Horror!The first part of this book Am is only a fragment of a book I wrote largely in the eighties about my search for my mind after a serious mental breakdown after leaving Oxford University in 1976,my subsequent conversion to Christianity and the development of a personal relationship with Jesus.It also describes some of the relationships in my life,my mother,my father,my ex wife and my brothers and sisters,plus a few friends,and associates.Their names are disguised!It is written in broken language to evoke my mentality at the time.Please forgive some of the errors in text,because i haven t had the time or patience(!)to work any more on it because it belongs in the past.However some of the errors are deliberate,I was thinking very much of James Joyce s style in Ulysses.The second half,Regime in the Head,written before AM,is about my life in the mental health system and the Church of England,and is largely a diary.
