Trafford Publishing, Canada, 2011. Paperback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Conscious Person's Guide to the Workplace is a unique compendium that incorporates a wide range of insights and high-leverage principles about the nature of work, organizations, leadership and change. Distilled from over four decades of workplace experience, it effectively integrates concepts and maxims from the fields of: business management, organizational development, anthropology, biological science, cosmology, psychology, quantum physics, sociology, human consciousness, and various schools of spiritual practice. The Guide is a practical and powerful resource for creating workplaces that evoke and engage the human spirit in pursuit of a world that works for all. The concepts and principles have been field tested and proven to work, in some cases over millennia. During the last two decades, the author and his colleagues successfully used them to create an enterprise that was nationally recognized for its culture, innovation and effectiveness. Using this remarkable resource to transform a workplace is relatively simple, but challenging: Hold the concepts and principles as compass and guide, then deal openly and forthrightly with whatever arises. Through this process, workplaces become enterprises where people show up to co-create the kind of experiences, organizations and world that are right, good, and desirable.
