This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(2006 Independent Publishers Book Awards: Finalist in Juvenile-Teen-YA Non-Fiction category) Give teenagers a chance to say whats on their minds, and you might be surprised by what you hear. Thats exactly what Don Meyer, creator of Sibshops and author of VIEWS FROM OUR SHOES did when he invited together a group of 80 teenagers, from all over the United States and abroad, to talk about what its like to have a brother or sister with special needs. Their unedited words are found in THE SIBLING SLAM BOOK, a brutally honest, non-PC look at the lives, experiences, and opinions of siblings without disabilities. Formatted like the slam books passed around in many junior high and high schools, this one poses a series of 50 personal questions along the lines of: What should we know about you What do you tell your friends about your sibs disability Whats the weirdest question you have ever been asked about your sib If you could change one thing about your sib (or your sibs disability) what would it be What annoys you most about how people treat your sib THE SIBLING SLAM BOOK doesnt slam in the traditional sense of the word. The tone and point-of-view of the answers are all over the map. Some answers are assuredly positive, a few are strikingly negative, but most reflect the complex and conflicted mix of emotions that come with the territory. Whether they read it cover to cover or sample it at random, teenagers will surely find common ground among these pages and reassurance that they are not alone. It is a book that parents, friends, and counselors can feel confident recommending to any teenager with a brother or sister with a disability....
