CLASSIC AIRCRAFT

Haynes Publishing Group. Hardback. Book Condition: new. BRAND NEW, Classic Aircraft, Richard Havers, Aircraft have revolutionized the way we live. Billions of passengers take to the air every year and around the world airlines operate almost 80,000 flights daily. Before the revolution, flying was, as often as not, a personal struggle in which a lone pilot and his single-engine aircraft tangled with the elements, the limits of his own endurance and the uncertainties of technology. Many of the endeavors of...

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
