I sold my companies thru business broker for tremendous profits and for 90 to all cash at closing. If you own a service business and your tired of getting rip of with marketing ideas that never work than this book is what you have been looking for. I have never seen any marketing systems as inexpensive like this one. This marketing system will work with your daily schedule. If your not implementing these strategies than your competitors are steeling your clients and you don t even know it. The best part is if you have a phone a computer and a little time that s all it takes. I know you re not as busy as you would like to be otherwise you wouldn t be searching for new ideas. If you want to get a jump start on my program after you buy my book please email me with...
