Reviews

Unquestionably, this is the best work by any author. Better than never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.
(Nelson Zemplak)

ANGLICIZATION OF FRENCH WORDS

GRIN Verlag Okt 2007, 2007. Taschenbuch. Book Condition: Neu. 208x144x13 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Linguistics, grade: 2, University of Freiburg, 8 entries in the bibliography, language: English, abstract: The stream of immigrants from the French language has been for almost a thousand years larger than that from any other tongue; and even today it shows little sign of decrease. Of all the strangers within our gates none are more cordially received than those which come to us from across the Straits of Dover. None are more rapidly able to make themselves at home in our dictionaries and to pass themselves off as English. At least, this was the case until relatively recently, when the process of adaptation and assimilation became a little slower and more than a little less adequate. Of late French words, even those long domiciled in our lexicons, have been treated almost as if they were still aliens, as if there were here on sufferance, so to speak, as if they had not become members of the commonwealth. They were allowed to work, no doubt, and sometimes even to be overworked; but they functioned as foreigners, perhaps even more eagerly employed by the superior because they were foreigners and yet held in disregard by the more meticulous because they were not truly English. That is to say, French words are still as hospitably greeted as ever before, but they are now often ranked as guests only. Perhaps this may seem to some a too bizarre presentation of the case. Perhaps it would be simpler to say that until comparatively recently a foreign word taken over into English was made over into an English...
